

- - REMARKS - -

Based on the decision of the Board, Applicants wish to take the allowable claim “5” and reserve the right to prosecute the unamended claims with a continuation application. In addition, claim 13 has been amended to correct a typographical error inadvertently omitting the “computer readable code” recitation.

Thus, claims 4 and 5 have been incorporated into claim 1 and similar limitations incorporated into claims 9 and 17.

Therefore, this case is believed to be in condition for allowance.

CONCLUSION

The Applicants respectfully submit that claims 1-3 and 6-17 fully satisfy the requirements of 35 U.S.C. §§102, 103 and 112. In view of the foregoing, favorable consideration and early passage to issue of the present application is respectfully requested.
